YEAR ROUND RCIA

Inquirers are welcome to begin their journey of faith at any time and each candidate will go at their own pace. How can we, who are Baptized, become a more visible and merciful face of Christ to those who are coming to us? As Pope John Paul II said, 'open wide the doors to Christ'. Call parish office for more information.

RICA TODO EL AÑO

Los interesados pueden comenzar su viaje de fe en cualquier momento y cada candidato irá a su propio ritmo. ¿Cómo podemos nosotros, los bautizados, convertirnos en un rostro más visible y misericordioso de Cristo para los que vienen a nosotros? Como dijo el Papa Juan Pablo II, 'abrid de par en par las puertas a Cristo'. Llama a la oficina de la parroquia para más información.

?POR QUE REGISTRARSE COMO MIEMBRO DE LA IGLESIA?

?Es usted un feligrés registrado? A menudo, la gente asiste a misa en una parroquia durante meses o incluso años, pero nunca se registran oficialmente. El registro en San Juan de la Cruz es la máxima expresión de su compromiso de ser parte de nuestra comunidad parroquial. Estar registrado en nuestra parroquia también hace que el proceso sea mucho mas sencillo a la hora de recibir los sacramentos, para inscribir a los niños en la educación religiosa, ser padrino, necesita una carta verificando su asistencia, o incluso para planear un funeral.

Second Sunday in Ordinary Time
Hello, God

Just before our first reading it says that “the word of the **LORD** was rare; there were not many visions.” (1Sam 3:1) I imagine most people today would think that was true. Do you think God has stopped talking? People apparently felt that way in Samuel’s time. Let’s look at the reading to see what Samuel’s experience can teach us.

At first Samuel thinks it is Eli calling him. It is not unusual for people to miss a sign from God. If you have a talent that you are proud of, perhaps it is a sign that God wants you to use that talent to help others. Or if a friend tells you she is concerned about your health, it could be God’s way of telling you to get help. Try to see God speaking in whatever happens to you and you may hear a lot more than you think.

Samuel also gets help from Eli. Eli began to recognize that the **LORD** was speaking to Samuel. Sometimes we need help discerning what the Lord is telling us. A good spiritual director can help. He or she will probably ask how often you pray. In our reading Samuel finally speaks directly to God, instead of going back to Eli. So if you wonder what God plans for your life, try spending more time in prayer with him. I bet we have all had times where we didn’t know if we are doing God’s will because we didn’t take time to pray. But don’t do all the talking. Give God some quiet time to hear his response. For God hasn’t stopped talking; we just stopped listening. Tom Schmidt

January 22, 1973 the United States Supreme Court in an 8-2 decision, cancelled all state protection of the child in womb of the mother. Millions of children have been killed as a result of this decision since then. Recently this decision has been reversed and the power to protect human life in the womb has returned to the states. Please continue to educate yourselves and your friends and families of the truth of scientific facts about life before birth. The child's heart is beating by 18 days. The catholic Bishops lead the way in championing protection for babies. Let us unite our prayers with them in our belief that all human life is precious from conception to natural death.
